Blanket Sizes:	145 cm
Filling:	200 g
Denier:	600 denier

Warm lead ropes and a stable blanket with cut-out shoulders and a 200-gram filling. The cut-out shoulders are ideal because horses need warmth especially on their backs and loins. The blanket’s shape is also advantageous, as it offers greater freedom of movement and prevents chafing on the shoulders. The fleece collar is nice and warm and prevents chafing at the withers.

- Outer material: 100% polyester

Product information
