Product information

Marstall LeinBits are high-quality treats for horses that stand out thanks to their carefully balanced recipe and artisanal production. These tasty horse treats combine flaxseed, carrots, and select grains into a compact treat for daily use in the stable, during training, or as a little motivation throughout the day.

They are produced with extensive experience and a commitment to craftsmanship. No chemical additives or sweeteners are used, resulting in a clearly defined composition. The recipe is designed to offer a natural flavor and a balanced texture that is well-received by many horses.
