Product information

The Weatherbeeta Sweet Itch Cooler fly blanket is the ideal blanket for horses with allergies and those that are sensitive to insects. The Weatherbeeta Sweet Itch Cooler fly blanket features a large, elastic belly flap and tail flap. The outer material is made of highly breathable 600-denier ripstop fabric and includes an elastic band that runs from the neck over the ears to prevent the neck section from slipping. The blanket also features a withers pad that conforms to your horse’s body to prevent pressure points. To prevent the fly sheet from slipping, it is equipped with an Ezi-Clip chest fastener, large leg gussets, and elastic, adjustable, and removable leg straps. The fly sheet offers 95% UV protection
