Color:	black
Horse Size:	Pony

Multifunctional, bitless bridle decorated with rhinestones that sparkle in a variety of colors. Can be used as a sidepull or a cross-under bridle. Perfect if you use several types of bitless bridles or if you’re not yet sure which one is best for your horse. The clips on the straps and reins make it easy to adjust the bridle.

- Material: Leather
- Hardware material: Stainless steel
- Multifunctional Bitless Bridle
- Features an anatomically shaped headpiece that keeps the base of the ear free
- Equipped with a wide noseband
