The BOOGIE Riding Pants

are made from an innovative material called “Rider Stretch,” which is extremely flexible and adapts to the rider’s movements.

They feature “Grip System” technology on the inside of the knees.

During production, eight layers of silicone are applied one after another to ensure a better grip in the saddle.

They are water-repellent and suitable for all types of riding, both in the indoor arena and out in the countryside.

The patterned details on the pockets and the Harcour logo below the right pocket are the hallmark of HARCOUR TOUCH.

Material:
92% polyamide, 8% spandex
