The "Fortaleza" women's vest features a padded upper section with diagonal quilting made of water-repellent material, which provides protection on cooler days.

The sides, made of technical fleece, ensure greater comfort and freedom of movement.

The Vestrum logo patch on the left front adds a subtle touch, while the Vestrum lettering on the back of the collar creates a striking graphic detail.

A vest that combines functionality and character, making it ideal for everyday activities in the stable or outdoors.
