With the KANSAS, ROECKL SPORTS presents a top-of-the-line riding glove for kids. Its **fit**, **functionality**, and look are specially tailored to the preferences of horse-crazy boys and girls, making riding even more fun! Stretchy, **silky-soft** printed Lycra on the back of the hand ensures a comfortable fit, while durable Digital Suede on the palm provides a **secure grip** on the reins without sacrificing the flexibility and **sensitivity** needed for good riding. Clever and stylish: the ROECKL “little hand” logo on the thumb loop serves as a visual cue for kids, helping them check their reining fist—and thus ensure proper rein control—at all times. True to the motto: If you see the ROECKL logo, you’re holding your hand right! Depending on their taste, young riders can choose between the pink KANSAS with a fun horse comic and the turquoise model with a cool horse motif on the back of the hand. On both models, a Velcro strap securely fastens the glove to the wrist. The KANSAS is available starting at size 3 and is machine washable at 30
