Color:	pink
Drain hole:	with a drain hole
Ear Protection:	with ear protection
Nose Guard:	without a face mask

The Super Bug fly mask was designed to make wearing a fly mask as comfortable as possible for the horse. The smooth, stretchy fabric feels like a second skin. The mesh over the ears and eyes ensures clear vision and keeps flies and insects away. Additionally, the opening at the front keeps the hair on the forehead clear. The mask can be easily fastened with the zipper at the bottom.
