Harry's Horse 0g Lead-Walker Blanket, 135 cm, is designed as a functional outdoor lead-walker blanket for daily use and combines protection with freedom of movement. The black model features a durable 600D ripstop polyester outer fabric and is suitable for changeable conditions where a lightweight, unlined blanket is needed. Thanks to the polyester lining and 0 g fill, the blanket remains pleasantly lightweight and ensures a high level of comfort.

Product information

The seamless back panel ensures an even fit, while the shoulder design allows for unrestricted movement. The design is complemented by a simple front closure, cross straps, and a tail loop for a secure hold during use with a lead line or walker. With a waterproof rating of 2000 wr/wp and a breathability rating of 2000 mvp, the blanket offers balanced protection while maintaining good air circulation.
