The versatile WeatherBeeta Standard Fleece Cooler is ideal for transport, cooling down, or as an underblanket. It is a breathable, moisture-wicking fleece blanket with anti-pilling properties and a nylon shoulder panel to prevent chafing and stretching.

- Warm and lightweight fleece fabric.
- Anti-pilling properties to prevent the formation of pills.
- Moisture-wicking to keep your horse comfortable and dry.
- Padded shoulders to prevent chafing and stretching.
- Low-cross girth, adjustable double chest buckles, and tail cord.
