Product information

The Power Cooler is a high-performance, extremely lightweight multifunctional blanket that is ideal for use as a cooling, travel, show, or stable blanket. The inner lining is made of Bucas' signature "Stay-dry" material (single-layer). This functional material quickly wicks moisture away and keeps the horse optimally dry.
The Bucas Power Cooler is available in two versions: a classic cut without a neck piece and a version with a removable neck piece.

- 1-layer
- T-buckle with magnetic snap-lock closure
- "Stay-dry" inner lining
- Shoulder gussets
- Internal cross straps
- "Silk-feel" lining in the shoulder area
- Attachment points for leg straps
- Tail strap
- Attachment points for use as an underblanket for Bucas outdoor and stable blankets
