Product information

Area: Coat & Skin Care

Your Benefits at a Glance

- 100% Natural Ingredients: Made from the highest-quality cold-pressed plant oils.
- Unique texture: The natural color and texture come exclusively from the use of clay, selected herbs, flower petals, and spices.
- Targeted relief: Reliably helps with itching caused by insects (such as Culicoides midges, horseflies, and houseflies) or parasites.
- All-Around Care: Protects and strengthens the skin, ensures a shiny coat, makes the mane easier to comb, and leaves the skin feeling supple and soft.

Directions for Use

- Wash the coat thoroughly and apply Active Soap evenly.
- Let it sit for a few minutes, then rinse thoroughly.
- Intensive tip: For more stubborn skin problems, simply let it dry on the skin without rinsing.

Note: Also ideally suited for dermatological use on humans.
