Vibrant colors, a cool design, and a durable construction make the TRUDY the ideal **winter riding glove** for teenage riders. The fit is specially tailored to teenagers' hands. The back of the hand is made of **supple** Italian Lycra—it's **cozy** and brushed on the inside, **keeps hands warm on cool days**, and quickly wicks moisture away. ROECKL's exclusive COMFORT-CUT design further enhances comfort by eliminating the need for a thumb gusset. The elastic, grippy Digital PU on the palm ensures a secure grip on the reins. It is **resistant to dirt and mud** and ensures that the glove can be machine-washed at 30° Celsius without any problems. Thanks to a Velcro strap on the palm, the glove can be secured snugly around the wrist. **Back of hand:** Vuelta Lycra
