Product information

The Hero is now also available as a ripstop blanket with 50g of filling

- Outer material: 600D ripstop polyester
- Shiny polyester lining
- 50g fiber filling
- Double T-hook front closure
- Adjustable cross-strap system
- Tail flap and tail strap
- Breathable, waterproof
- Antibacterial, antistatic

Material
The outer material is made from 600D ripstop polyester fabric, making it wonderfully lightweight. The inner lining is made of glossy polyester. It is silky soft and smooth, making it comfortable to wear and giving the coat an additional beautiful sheen. Of course, the blanket is breathable, antistatic, and treated with an antibacterial finish. With its 50g filling, it’s ideal for the transitional season through into winter.

Cut/Features
The Hero blanket has a classic **cut**. This blanket features Horseware’s patented front leg cutouts. The unique design gives the horse greater freedom of movement and allows the blanket to hug the belly more snugly, ensuring that this area is also protected. The blanket is made without a back seam and features a tail flap.

Fastening
: The blanket fastens at the chest with a double metal T-hook closure. It is secured at the belly with two crossed, adjustable belly straps, and a tail strap completes the blanket.
