Sophisticated, elegant, yet functional—that's the MALIA. The eye-catching feature is the new strap, with the **shiny** ROECKL logo taking center stage. At second glance, **subtle**, concealed color accents come into view. On the back of the hand, the glove specialists combine Lycra Revolutional and Micro Mesh. With its **smooth**, **soft** surface, Revolutional® Lycra ensures exceptional comfort and **outstanding breathability**. This lightweight yet durable material absorbs moisture and allows for natural evaporation. At the same time, it dries extremely quickly. But that's not all: The flat, black back of the hand also features **coldblack® from schoeller**. It reduces the absorption of thermal radiation and noticeably prevents the hand from overheating. This helps riders keep their **hands cool**. The palm is made of DURASENSE, a durable, soft, and thin synthetic suede. Equipped with SILICONE GRIP, it offers an ideal grip on the reins. The MALIA also stands out with its exclusive COMFORT CUT. The particularly
