Five glittering stars for the TORONTO. This riding glove is designed with teenagers in mind in terms of color, design, and fit, and stands out with its fresh, bold look. Comfort and fit also score top marks. That's because ROECKL's exclusive COMFORT CUT features a particularly **comfortable cut** that eliminates the need for an index finger gusset. The Digital Suede palm material is **extremely durable** yet **flexible**. Its grip ensures **precise rein control** and thus optimal coordination between horse and rider. On the back of the hand, the glove makers combine 2-way spandex and Lycra. A contrasting trim and a classic back-of-hand strap with the ROECKL logo round out the design. **Back of the hand:** 2-way spandex, Lycra full dull
