Eskadron Faux Fur Padded Nose Band
The Eskadron Faux Fur Padding nose guard offers exceptional comfort. The material is synthetic lambskin, which is incredibly soft and therefore very comfortable to wear. The top of the nose pad is quilted and features Velcro fasteners. This makes the nose pad easy to attach and gives it a very elegant look. The underside features faux fur padding, which reduces pressure and is very comfortable. The deceptively realistic faux fur is easy to care for, a wonderful alternative to real lambskin pads, and stands out for its ease of use.
