Color: brown

Hard-shell gaiters with a removable liner. The 3D velvet-mesh liner is included with the gaiters.

The synthetic sheepskin liner is available as an option.

The design and linings are engineered to prevent the tendons from overheating by providing optimal ventilation.

Technical Specifications:

- TPU shells: reinforced limb protection with integrated ventilation openings for better airflow.

Product information

- Includes 3D velvet mesh lining: breathable and shock-absorbing 3D mesh material for optimal comfort.
- Velvet material: soft and comfortable, protects the horse’s skin.
- Optional synthetic sheepskin lining: removable lining with Velcro fastener.
- Protective shell for maximum safety.
- Ventilated to reduce sweat buildup and increase comfort.

Care:

- Remove the lining before washing.
- Hand wash recommended.
- Do not machine wash or tumble dry.
- Air dry; protect from direct sunlight.
- Perfect for everyday training and competition.
