LOS ANGELES Jumping
Saddle Pad
Jumping saddle pad featuring a highly technical design and construction. Los Angeles is made from bi-elastic, padded, and breathable high-tech fabrics. The edging is available in tone-on-tone or contrasting colors. The interior is made of 100% cotton with a waffle weave, ensuring a gentle fit on the horse’s back. It features a label with Vestrum lettering on both sides and a sewn-on logo on one side made of shiny polyester.

- Bi-elastic, quilted fabric
