Product information

The lambskin belt with a nylon fleece lining is one of our classic products thanks to its many features! Terms like flexibility, softness, durability, lightness, and comfort perfectly describe this belt. The lambskin strap features elastic bands at both ends to distribute pressure evenly, as well as three D-rings for attaching training accessories. The elastic bands are very sturdy and stay secure because they are triple-stitched. Like our other straps, this one is also 100% animal-friendly thanks to its faux fur lining. It’s easy to care for, as it can be washed at 30°C (no dryer), and is probably the best strap for working out at home!

- Faux fur: 100% animal-friendly!
- Flexible, soft, comfortable
- 3 D-rings
- Three double elastic bands on both sides
