HERB
CRACKERS

These high-quality horse treats,
Crackers with millet and flaxseed, are made from wholesome grains and other natural ingredients in a small mill using traditional methods and baked to perfection. They contain absolutely no molasses, sugar, preservatives, or artificial flavors. That’s what makes them so tasty and healthy for your horse.

Product information

Herbs
: An Ingredient for Well-Being The healthy herb blend includes mallow blossoms, peppermint, ribwort plantain, thyme, marshmallow root, and several others. In addition to promoting general well-being, the herbs have a soothing effect on the respiratory tract.
