The Amigo® Ripstop 900D 50g Pasture Rug is the perfect pasture rug for changeable weather. The outer fabric, made of durable 900D ripstop polyester, ensures maximum durability, while the 50-gram filling provides the ideal solution for both mild and cool weather.

Features of this rug include a waterproof and breathable 900D ripstop outer fabric, a lustrous, anti-static, and antibacterial inner lining, a straight chest closure, and two cross-saddles for a secure fit. Thanks to its neck gusset eyelets and liner tabs, this blanket can be easily combined with our Amigo® Ripstop 900D neck gusset and the Horseware® Liner System. A tail strap prevents the blanket from slipping.

With the Amigo® Ripstop 900D 50g turnout rug from Horseware®, you can offer your horse protection, comfort, and a great look.
