You'll love the Rambo® Dry Rug Supreme (No Fill) for its moisture-wicking properties, which dry your horse in record time! The Rambo® Dry Rug Supreme features a clever, hidden neck flap and is made from super-lightweight brushed polyester for comfortable use at home or while traveling. The hidden neck flap provides coverage from the withers to the tail, dries your horse quickly, and reduces the risk of your horse catching a chill. This breathable rug is a “must-have” and leaves your horse’s coat with a high-gloss, smooth finish. An adjustable Multi-Fit front closure, two elastic cross-straps, and a tail cord ensure a snug fit.
