Product information

Bundle: Outdoor blanket (100g filling), removable neck flap, underblanket (200g filling)

- Durable and strong 1200-denier outer fabric with a triple-weave construction.
- Repel-Shell coating that is both waterproof and breathable.
- 100 g polyfill.
- With a 210-denier lining and 200g polyfill.
- Traditional walking pleats with a chest Velcro closure and Velcro closures at the neck.
- Snap hooks at the back.
- Traditional gussets for natural movement.
- Memory foam withers pad conforms to the horse’s shape, reduces chafing, and provides additional comfort.
- Quick-release chest strap offers maximum adjustability.
- Elastic, adjustable, and removable leg straps for a secure and comfortable fit.
- Reflective strips on both front sides and on the tail flap for added visibility.
- Double low cross-saddle girth.
- Large tail flap.
- 300g and 100g liners available separately.

Versatility to see you through all seasons. The WeatherBeeta Comfitec Premier Trio Detach-A-Neck Medium Turnout is packed with great features. This blanket is **super-strong** and **durable**, featuring a **1200-denier** outer fabric with a triple-weave construction, **waterproof** and **breathable,** and **a Repel-Shell coating**. The medium 100 g Polyfill outer shell features a versatile 210-denier removable inner lining with a single chest strap, traditional walking pleats, and warm **200 g Polyfill** to keep your horse warm. The new **reflective strips** on both the front and the tail flap provide additional visibility. The new **memory foam withers pad** conforms to the horse’s shape and lifts the blanket slightly away from the withers and mane to prevent chafing, with extra 100% Boa fleece padding for ultimate comfort. It also features a quick-release chest buckle, original gussets, elastic, removable leg straps, and a large tail flap
