Product information

WAHL Adelar Pro Clipper
Adelar Pro Clipper hair clipper in a zippered case from WAHL, including two battery packs, each with up to 120 minutes of runtime and 75 minutes of fast charging.
For a battery life three times longer with no memory effect! Diamond-ground stainless steel cutting set “Made in Germany” with integrated cutting length adjustment from 0.7–3 mm, including an innovative carbon coating for optimized cutting performance and greater durability. Quick-change blade system and easy-cleaning function for convenient cleaning. Powerful, robust DC motor with 5,300 rpm, smooth operation, and automatic speed control for consistent performance regardless of battery charge or coat type. Ergonomic design and extremely low weight ensure work that is particularly easy on the joints. The cutting set is carbonized and diamond-ground, so it stays sharp longer and can come into contact with water.

- Lithium-ion technology included
- Exceptionally quiet
- Convenient LED charge indicator directly on the battery pack
- Diamond-ground stainless steel cutting set
