VIT-E PRO Powder for Animals, WITHOUT SELENIUM
1 kg Vitamin E 100,000 mg + lysine

WITHOUT ADDED SELENIUM
Highly concentrated and economical to use.

Vit-E PRO prevents diet-related deficiency symptoms. A vitamin E deficiency can contribute to reduced performance, stamina, and resilience. Vit-E PRO can improve muscle metabolism and rideability

Feeding Guidelines:Full-size horses (600 kg live weight) 20–30 g/day. Adjust the amount accordingly for ponies and small horses.
