DELTA 300
BASICS

Lead-Riding Blanket

- Eskadron’s newly developed horse walker blanket sets the standard for functionality and comfort

Product information

- The elastic, breathable front panel adapts perfectly to the horse’s chest contours
- It moves seamlessly with the horse’s movements, thereby preventing chafing
- Durable, highly water-repellent, and breathable outer material on the back and kidney area
- Optimal fit thanks to cross-strap design and safety tail strap
- Smart Dual Velcro chest closure
- 300g thermal filling

Material 100% POLYESTER
