Product information

Diatomaceous Earth 30 Pro, 1 kg bag

Art.Nr.: MK-508 / manufacturer:

29,95CHF

incl. 2,6% VAT plus Shipping

Delivery **Mon 09. Nov - Tue 10. Nov 2026**

Silica with BT brewer's yeast, seaweed, flaxseed meal, and methionine.

Silica with BT brewer’s yeast helps prevent diet-related deficiency symptoms. Its balanced composition can have a positive effect on skin metabolism, coat, and hoof growth.

Feeding instructions:

- Full-sized horses (600 kg body weight) 30–50 g/day
- Adjust the amount accordingly for ponies and small horses

Composition: Flaxseed meal 22.0%, seaweed meal 20.0%, brewer’s spent grain 10.8%, brewer’s yeast 7.2%, sugarcane molasses
