Classic Evora tournament shirt by Alessandro Albanese, made from modern, breathable CleanCool fabric.
The CleanCool fabric feels pleasantly soft against the skin and fits the figure perfectly. This performance fabric wicks moisture away from the body and, thanks to its antibacterial properties, prevents unpleasant odors from developing. Fitted cut with a stand-up collar that fastens with a practical magnetic closure. A logo detail at the nape of the neck and navy accents round out the shirt’s design.
Material: 100% CleanCool polyester Machine washable at 30°C.
