The Supreme Gaiter has a great fit and is made of high-quality fleece. This model features a unique cut. With this gaiter, we can offer an optimal kidney blanket with the "Back on Track" function, as it acts like a sweat blanket and has a cutout for the rider’s leg. The blanket fastens in front of the saddle with Velcro closures and is often used for riding before competitions, on trail rides, or during training on cold days. It has a polypropylene lining with fused ceramic particles. This girth blanket is equipped with
