The Lugano chaps by Sergio Grasso are known for their quality and beautiful design. They are made of sturdy leather, which ensures a comfortable fit. A zipper at the back of the calf makes it easy to fasten and unfasten the chaps. Thanks to a zipper guard and a spur holder, premature wear is prevented, ensuring that the chaps have a long lifespan. The elastic band, also located at the back of the calf, guarantees an optimal and comfortable fit, so you'll quickly realize that these chaps are a true must-have and you won't want to be without them!
