Thanks to FREY BIO Calendula Balm, with the nourishing properties of calendula, the skin is moisturized and becomes visibly Thanks to FREY BIO Calendula Balm, with the nourishing properties of calendula, the skin is moisturized and becomes visibly smoother. Rough and chapped areas of skin are optimally nourished and covered with a delicate protective film thanks to the beeswax it contains. Superficial wounds also receive soothing relief thanks to the propolis it contains. Cold-pressed, organic sea buckthorn oil, also known as a free radical scavenger, promotes active cell function with its high-quality unsaturated and polyunsaturated fatty acids. FREY BIO Calendula Balm is recommended for daily skin care. FREY BIO Calendula Balm is free of chemical preservatives, petroleum derivatives (mineral oils), emulsifiers, and synthetic fragrances.

Ingredients: Helianthus Annuus Seed Oil* (sunflower oil), Cera Alba* (beeswax*), Alcohol* (ethanol*), Calendula Officinalis Extract* (calendula extract*), Propolis Cera Extract* (propolis tincture*), Theobroma Cacao (cocoa butter*), Papaver Orientale Oil* (poppy seed oil*), Hippophae Rhamnoides Extract* (sea buckthorn oil*), Tocopherol (Vitamin E), Pelargonium graveolens oil* (rose
