Color:	blue
Clothing Sizes:	S

The Shedir women's vest is a functional, versatile garment designed for training outdoors and in the stable.

It is made of water-repellent material and offers protection from light rain and fog, while ensuring comfort without restricting movement.

The collar features a zipper that allows easy access to the hood when needed.

The vest stands out with a modern design featuring a contrasting pattern on the front and back, a Vestrum LAB logo on the right side, and signature lettering on the back for added style.

Thanks to its regular fit and lightweight material, it’s perfect for layering over technical clothing while offering full freedom of movement.

Material

100% polyester: 100% polyester: 100% polyester
