Product information

The recipe contains no chemical additives or sweeteners. This ensures a clear, natural focus, making it particularly suitable for conscious use as a treat. Flaxseed and carrots, together with the grain ingredients, provide a balanced composition designed for daily use as a tasty treat for horses.

The production process, which draws on extensive artisanal expertise, underscores Marstall’s commitment to quality. LeinBits are thus a practical addition to training, groundwork, or as a small treat in everyday life. The combination of a high-quality recipe and a compact shape makes this product a functional choice for horse owners who value quality and transparency.
