TORTORETO JUNIOR Rain Jacket, Kids The Vestrum Tortoreto rain jacket in black is timeless and practical. A must-have for young riders who need reliable protection from the rain. The waterproof design features taped seams and a hidden two-way zipper under a button placket. The sleeves can be adjusted with buttons, while the hood can be secured with a drawstring and a button at the back for added stability while riding. With two practical pockets and a striking Vestrum emblem on the left chest, this jacket is as stylish as it is functional.
