Product information

High-Yield, Gentle-Cleansing Shampoo Concentrate

For regular coat and tail care. HIPPO FIT is specially formulated for the nature of the coat; it gently cleanses, softens the coat, and gives your horse a high-gloss shine.

Hippo Fit contains an optical brightener and is therefore particularly suitable for gray horses (removes yellow stains).

Hippo Fit is a concentrate. 2–3 squirts in 5 liters of lukewarm water are sufficient for a thorough horse wash. When using Hippo Fit in concentrated form—to remove yellow stains from gray horses, or to treat biting and scratching—thorough rinsing with water is required after a maximum of 10 minutes of application time.

Use Hippo Shine in between washes to care for the mane and tail.
