The Rambo® Protector is designed for horses that put their blankets through rigorous use.

Made from our unique, patented, self-repairing fabric—durable and breathable, for a long service life. The blanket protects against flies and UV rays and offers ultimate durability and breathability.

Now available with our lightweight, patented Disk chest fastener, which relieves pressure on the shoulders and prevents the blanket from chafing.

- Removable neck flap included
- Extra-long cut at the front leg for better protection
- Double leg openings for plenty of freedom of movement
- Three straight belly straps, good belly coverage
- The silky lining along the mane, shoulders, and tail flap protects against chafing
- Washable tail strap for a secure fit
- Can be combined with the Horseware Waterproof Fly Rug Liner—turning a fly rug into a lightweight pasture rug in no time.
