The tried-and-true saddle pad from Back and Track—beautiful and timelessly elegant...

The new Back and Track saddle pad is made from a beautiful heathered fabric, available in classic brown and sophisticated gray. The saddle pad is edged with an elegant decorative cord. Another eye-catching feature is our logo on the left side, made of brushed metal and backed with synthetic leather. The soft teddy fleece padding at the withers provides extra comfort. The saddle pad is equipped with straps for securing the D-rings and impresses with excellent breathability and ideal moisture management. The filling consists of high-quality polyfill and shock-absorbing foam. The saddle pad pairs perfectly with the other products in our Haze
