Product information

Color: brown

Classic in style, sporty and functional, and modern in design: Style-conscious riders will be thrilled by the lightweight and exceptionally elegant MALAGA. The upper is made from the exclusive SUPREMA by ROECKL material—a supple and breathable synthetic fabric that’s exceptionally comfortable to wear and virtually indistinguishable from nappa leather, both visually and to the touch. Perforations on the fingers further enhance breathability. The palm, made of ROECK-AIR, is just as supple and takes breathability to the next level. In addition, ROECK-AIR offers wonderful tactile feedback—almost like a second skin—and gives the glove an exceptionally fine sense of touch on the reins. The exclusive COMFORT-CUT design ensures a sleek silhouette and high comfort. The slim, form-fitting cut, the exquisite material, and the elegant design of the MALAGA are complemented by a Velcro strap at the wrist, which perfects the fit and features the stylized ROECKL hand logo as a rivet for a fashionable touch. By the way, the entire palm is TOUCHSCREEN COMPATIBLE, so you can comfortably operate your smartphone and other devices while wearing the gloves.
To maintain functionality and durability, riding gloves should be washed regularly—the MALAGA can be easily machine-washed at 30 degrees. **Back of the hand:** SUPREMA by ROECKL **Palm:** ROECK-AIR
Features: COMFORT-CUT, TOUCHSCREEN COMPATIBLE, strap with Velcro closure **Gender:** Unisex
