The uvex suxxeed glamour riding helmet stands out with its elegant Swarovski® crystals and sparkling gold-colored insert combined with black faux suede. Of course, this riding helmet also meets the highest safety standards.
The new uvex suxxeed glamour riding helmet model from the successful uvex dressage helmet series is as elegant as a top hat, yet—unlike one—it’s extremely safe. Despite its chic design, the helmet offers maximum safety and maximum comfort. The helmet features an injection-molded outer shell and an EPS inner shell. This creates a highly effective combination for your safety. Impact-resistant on the outside, shock-absorbing in the event of a fall, and even providing insulation against the cold. Elegant head
