Delivery **Mon 09. Nov - Tue 10. Nov 2026**

Material:	Plastic
Size of the bit:	12 cm
Thick bridle:	20 mm

The Standard Bit features a flexible shank made of hypoallergenic plastic, stainless steel side pieces, and a slight tongue relief. This allows for optimal distribution of pressure across both the tongue and the bars, while providing the tongue with sufficient freedom of movement. In conclusion, the Standard Bit truly lives up to its name, as it can be used by horses of any age, training level, or breed.
