With the KANSAS, ROECKL SPORTS presents a top-of-the-line riding glove for kids. Its **fit**, **functionality**, and design are specifically tailored to the preferences of horse-crazy boys and girls, making riding even more fun! Stretchy, **silky-soft** printed Lycra on the back of the hand ensures a comfortable fit, while durable Digital Suede on the palm provides a **secure grip** on the reins without sacrificing the flexibility and **sensitivity** needed for good riding. Clever and stylish: the ROECKL “little hand” logo on the thumb side of the rein serves as a visual cue for kids, allowing them to check their rein grip—and thus ensure proper rein control—at all times. True to the motto: If you see the ROECKL logo, you’re holding your hand right! Depending on their taste, young riders can choose between the pink KANSAS with a fun horse cartoon and the turquoise model with a cool horse design on the back of the hand. On
