Style-conscious riders looking for a warm, comfortable, and **elegant** riding glove with a classic, sophisticated design will love the WELS. The first thing that catches the eye is its elegantly designed back made of SUPREMA by ROECKL—an **exclusive**, **supple**, and **breathable** synthetic leather that is virtually indistinguishable from nappa leather—as well as the cuff with its stylish quilted look. ROECK-GRIP®, ROECKL's proven material—which is pleasantly soft, **elastic**, and **breathable**—has been incorporated into the palm for **maximum grip** and absolute tactile sensitivity on the reins. As a result, the WELS fits like a glove. And as temperatures continue to drop and winter sets in at the stable, the precise, snug fit and warm lining protect your hands from getting cold. Extra

comfort is provided by ROECKL's exclusive COMFORT-CUT—a clever design that eliminates the need for additional trim on the index finger. Bottom line: The WELS is a stylish riding glove that moves with you, **keeps the cold out**, **and retains heat**. And since gloves rarely stay clean for long at the stable, this model can be machine-washed at 30° Celsius. Available in Black/Gray, Black Stonewashed, and Antique Mocha. Features a Velcro strap that securely fastens the glove to the wrist. **Back of the hand:** SUPREMA by ROECKL
Palm: ROECK-GRIP®
Features: COMFORT-CUT, lining, Velcro closure **Gender:** Unisex
