Product information

An extra-strong and durable **1200D** outer fabric**, combined with 250g of filling,** protects your horse from strong winds and cold while out in the pasture. The high neckline ensures a perfect fit and reduces pressure points on the withers. The disc-front closure offers more freedom of movement outdoors, and the special gloss-enhanced polyester lining makes your horse’s coat shine.

Key features at a glance:

- 1200D polyester
- Shine-enhancing lining
- Waterproof and breathable
- 250g filling
- Removable neck piece included
- Disc-style front closure
- 3 adjustable cross straps
- Compatible with underblankets
- Tail flap / tail strap
- Reflective strips
