With a chic, elegant, and stylish design, the WATTENS riding glove fits like a second skin and keeps your hands warm during fall and winter rides and everyday stable life. The **elastic**, diamond-patterned back of the hand, made from **windproof** and **highly breathable** ROECK-PROOF Soft Shell, moves seamlessly with every motion and also provides reliable protection against cold air that would otherwise chill your hands. The palm features the exceptionally thin ROECK-AIR material. ROECK-AIR offers **sensational sensitivity** when handling the reins—and thus at the horse's mouth—while also being **extremely durable** and h**ighly breathable** thanks to micro-perforations. For extra warmth, it's also laminated with soft fleece. Thoughtfully designed: Thanks to ROECK's exclusive COMFORT-CUT, no additional trim is needed on the index finger, ensuring the WATTENS offers an optimal fit. And a classic
