The shampoo from the best-selling EASY SHINE line!
Sun, rain, sweat, and dust—your horse's coat is constantly exposed to the harshest conditions. In addition, a horse's skin is thinner than human skin and has a higher pH level. That's why it's important to use products specifically designed for a horse's sensitive skin. EasyShine Shampoo is ideal for this purpose; it provides ultimate coat shine and revitalizes the color of the coat and mane. It also has an extremely pleasant scent.
Suitable for all coat colors!
