The new Bucas Atlantic line is the perfect addition to the Bucas outdoor blanket collection. Like all Bucas blankets, the Atlantic series is made from extremely durable and resilient materials, offering your horse optimal protection across a wide range of temperatures. The outer material of the Atlantic blankets is made of high-quality, tear-resistant, waterproof, and breathable ballistic nylon. In addition, the Atlantic series features the new “Silky-Dermo Care” lining. The “Silky-Dermo Care” lining is not only extremely breathable but also features Bucas’ signature “Stay-dry” property, which not only keeps the horse dry but also helps maintain a beautiful, glossy, soft, and smooth coat.
