An exceptional fly sheet with UV protection
The Amigo® Bug Rug Fly Sheet is a soft, breathable, and lightweight rug with strong sun-reflective properties. This rug features an oversized tail flap and a detachable neck piece, providing your horse with exceptional coverage and protection. The front leg openings allow for greater freedom of movement, and the double straight front closure and two adjustable cross surcingles ensure a secure fit. The silky lining at the mane, shoulders, and tail flap helps reduce friction. Compatible with our waterproof Fly-Liner, you can keep your horse comfortable and dry even on summer rainy days, even when the flies return and the rain stops. A versatile blanket at an affordable price that fits your budget and your needs.
