ShowSheen Stain Remover & Whitener – Professional stain removal with innovative active oxygen technology

Stubborn stains require a specialized solution. This cleaning product was developed to effectively tackle particularly difficult stains such as urine, manure, and mold. The fast-acting formula is based on active oxygen components that enable deep cleaning without damaging the material.

Key features of the formulation:

- pH-neutral composition for gentle cleaning
- Panthenol provitamins for softness and shine
- Green tea and fruit extracts with nourishing properties
- Visible results after just a short application time

Product information

- Convenient 590-ml spray bottle for precise application

Application steps:

- Pre-brush the area to remove loose dirt
- Spray the product directly onto the affected area
- Let it sit for 1 to 5 minutes
- Rinse thoroughly with clean water

The combination of scientifically tested active ingredients—including hydrogen peroxide, natural surfactants, and plant extracts from lemon, apple, and sugarcane—provides a comprehensive cleaning solution. The result is not only a visibly clean surface but also a velvety, radiant shine.

This formulation is particularly suitable for anyone who values efficiency and care in a single product.
