Ergonomic Liner 100 g

Compatible with the waterproof and ergonomic Proconfort 0 g blanket for enhanced protection against the cold.
Available in 100 g and 300 g versions, it offers optimal thermal insulation to keep your horse warm.

**Innovative design:**

- Integrated 3D mesh structure at the withers for even pressure distribution.
- Versatile and practical, this underblanket can easily be converted into a stable blanket thanks to its removable belly straps.

# Product information

**Technical Specifications:**

- Main material made of 210T fabric, known for its durability.
- 100 g synthetic filling (also available in 300 g) for excellent thermal insulation.
- Removable belly straps.
- Shoulder gussets for full freedom of movement.
- Secure chest closure with two Velcro fasteners.
- Elastic, coated tail strap for a secure fit and easy care.
- Integrated rings for optional attachment of leg straps (straps not included).
- The packaging can be reused as a storage bag.
